Description

- Fully Synthetic Passenger Car Motor Oil
- X 600 5W50 is a high performance motor oil based on 100% synthetic technology with exceptional quality, delivering extreme performance in gasoline-, diesel- and LPG fuelled engines in passenger cars with or without turbocharger, working under severe temperature and load conditions.
- X 600 5W50 is based on high quality synthetic base oil in combination with an unique additive package to ensure the following properties:
 - Excellent thermal- and oxidation stability.
 - Very good dispersant and detergent properties.
 - Excellent cold temperature properties for a smooth cold start.
 - Excellent protection against wear, corrosion and foam.
 - Suited for extreme and severe conditions.
